

Giving Your Testimonial is Easy!

1. Call **1-888-260-7642, ext. 4007** and simply tell your story – this is just like leaving a voicemail.
 - Not sure what to say? Here are a few things you may want to discuss:
 - i. What were you experiencing when you first came in? What type of pain did you have, how severe was it, how often were you experiencing it, etc.?
 - ii. What was your experience like on your first visit in the office? What did you think of our staff? What were your feelings about the doctor?
 - iii. How long was it before you began to see results? What are your symptoms like now, compared to what they were when you first came in?
 - iv. What are your overall impressions of the doctor and staff in our office? Why should someone trust us with their health?
2. Allow us to take a picture of you while you're in the office, or email Dr. Ron a good picture at rchirodoc@sbcglobal.net.
